

## 1<sup>st</sup> Congress of Physiotherapists of Bosnia and Herzegovina

### *CPBH-2013, Welcome Message*

Dear Friends and Colleagues,

I am honored to invite you personally to the I Congress of Physiotherapists of Bosnia and Herzegovina which will take place in October 2013 in Sarajevo. The Congress will take place from 03.-06.10.2013. The motto of the congress is "Physiotherapy- is what we are". Congress is organized by the Physiotherapy Association of Federation of Bosnia and Herzegovina (UFFBiH).

Our intention for this Congress is to allow acquisition of new knowledge in certain fields of physiotherapy, exchange of experiences, joint evaluation and attitudes needed for application of new diagnostic and therapeutic procedures. We will discuss the major breakthroughs and developments in the field of physiotherapy – from clinical practice to research and technology.

The capital of Bosnia and Herzegovina, Sarajevo, can be considered as an ideal location for an international medical congress of this dimension. In addition to a regional top-rate scientific program, there will be many opportunities for hands-on learning and networking as well as exciting social events, thanks to Sarajevo unique socio-cultural, historical heritage and architectural wealth within all of Europe.

We are firmly convinced that this Congress will fully justify its motto, emphasizing physiotherapists as one indispensable part of the rehabilitation process, and so contribute to a better understanding and promotion of our profession having physiotherapists and our clients, as beneficiaries of congress results.

Note that the congress will be accredited by the Chamber of physiotherapists of Croatia, Nursing Chamber of Serbia and Chamber of Graduate all profiles Health Engineer of FBiH.

We look forward to welcoming you in Sarajevo in 2013.

This is an opportunity not to be missed.

Sincerely,

President of the UFFBiH  
Board of Education and  
Training:

Damir Operhal
